Foreword

The *Asian Journal of Behavioural Studies* (AjBeS), is an international and interdisciplinary Open Access Journal. It publicises online both conceptual and empirical research findings pertaining to **human behaviour** issues affecting Asian communities living in Asia and non-Asian countries. Those conferences are jointly organised by *AMER* (Association of Malaysian Environment-Behaviour Researchers); *ABRA* (Association of Behavioural Researchers on Asians); and the *cE-Bs* (Centre for Environment-Behaviour Studies), Faculty of Architecture, Planning & Surveying, Universiti Teknologi MARA, Malaysia. International institutions co-hosted the conferences.
